Hoof Boot Stowaway

The perfect complement to any hoof boot. This bag will hold up to two size #2 in Easyboots, Epics or Gloves or one #8 Trail. Plus, it has two extra compartments for accessories. Has a clip on top with tie strings to attach anywhere on the saddle.

Water Bottle Stowaway

The most durable, versatile water bottle holder you will ever own. Holds one 20 oz. water bottle. Bottle strap allows easy access to the bottle. Attaches to any saddle with a versatile clip and strap system.

The Easycare Stowaway line is the most advanced innovation in "no-bounce" saddle pack design. Maximum storage with minimum bulk, these packs will work for every riding style. Several compartments allow for better organization and quick, easy access to what you need when you need it. Superior fabric and heavy-duty adjustment systems make these packs the most durable, user-friendly pack you'll ever own.

Stowaway Pack Features:

- 420D Ripstop material with waterproof urethane backing.
- Foam-padded bottom panel lined with durable, soft, short-pile fleece to protect your saddle and your horse from the weight of the pack's contents.
- Extended nylon-tabbed zipper pulls for easy access to all compartments.
- All outer seams are reinforced with durable binding.
- Water resistant material.
